

# The road to hell

## Conflict management in teams and communities

Thomas Thym (@ungethym)

06.08.2011 | Berlin, DE

A close-up photograph of a pig's head and legs being roasted over a fire. The pig's skin is a rich, golden-brown color, indicating it is well-cooked. The fire consists of burning logs and charcoal, with bright orange and red flames and glowing embers. The scene is set outdoors, with some grey stone or concrete visible in the background.
